## Product Datasheet

### Recombinant human PP2C gamma/PPM1G protein NBS-PAT-6FLNJP-100

|                            |                                                                                       |
|----------------------------|---------------------------------------------------------------------------------------|
| Article Name               | Recombinant human PP2C gamma/PPM1G protein                                            |
| Biozol Catalog Number      | NBS-PAT-6FLNJP-100                                                                    |
| Supplier Catalog Number    | PAT-6FLNJP-100                                                                        |
| Alternative Catalog Number | NBS-PAT-6FLNJP-100                                                                    |
| Manufacturer               | Nordic BioSite                                                                        |
| Category                   | Proteine/Peptide                                                                      |
| Application                | SDS-PAGE                                                                              |
| Species Reactivity         | Human                                                                                 |
| Product Description        | Recombinant human PP2C gamma/PPM1G protein...                                         |
| Concentration              | 1 mg/ml                                                                               |
| Molecular Weight           | 27 kDa (250aa) confirmed by MALDI-TOF                                                 |
| Tag                        | HIS Tag                                                                               |
| NCBI                       | <a href="#">5496</a>                                                                  |
| UniProt                    | <a href="#">O15355</a>                                                                |
| Buffer                     | Liquid in 25mM Tris pH 7.5, 1mM DTT, 1mM EDTA, 2mM beta-mercaptoethanol, 20% glycerol |
| Purity                     | >90%                                                                                  |
