## Product Datasheet

### Recombinant Mouse Cd209a Protein, N-GST & C-His, Unconjugated BSS-BS-104918P

|                          |                                                                                                                                |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Recombinant Mouse Cd209a Protein, N-GST & C-His, Unconjugated                                                                  |
| Artikelnummer            | BSS-BS-104918P                                                                                                                 |
| Hersteller Artikelnummer | bs-104918P                                                                                                                     |
| Alternativnummer         | BSS-BS-104918P-20,BSS-BS-104918P-50                                                                                            |
| Hersteller               | Bioss                                                                                                                          |
| Kategorie                | Proteine/Peptide                                                                                                               |
| Spezies Reaktivität      | Other                                                                                                                          |
| Konjugation              | Unconjugated                                                                                                                   |
| Tag                      | N-GST & C-His                                                                                                                  |
| UniProt                  | <a href="#">Q91ZX1</a>                                                                                                         |
| Puffer                   | Lyophilized from a solution in 10mM PBS pH 7.4, 0.02% NLS, 1mM EDTA, 4% Trehalose, 1% Mannitol.                                |
| Quelle                   | Recombinant Mouse Cd209a Protein is expressed in E.coli with N-GST & C-His. It contains the amino acid sequence of 111-238/238 |
| Expression System        | E.coli                                                                                                                         |
| Reinheit                 | > 90% as determined by SDS- PAGE                                                                                               |
