## Product Datasheet

### **CDC37 Polyclonal Antibody, APC-Cy7 Conjugated, APC/Cy7, Rabbit BSS-BS-4290R-APC-CY7**

|                          |                                                                                                                                                                   |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | CDC37 Polyclonal Antibody, APC-Cy7 Conjugated, APC/Cy7, Rabbit                                                                                                    |
| Artikelnummer            | BSS-BS-4290R-APC-CY7                                                                                                                                              |
| Hersteller Artikelnummer | bs-4290R-APC-Cy7                                                                                                                                                  |
| Alternativnummer         | BSS-BS-4290R-APC-CY7-100                                                                                                                                          |
| Hersteller               | Bioss                                                                                                                                                             |
| Wirt                     | Rabbit                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                        |
| Applikation              | IF                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                      |
| Konjugation              | APC/Cy7                                                                                                                                                           |
| Produktbeschreibung      | Co-chaperone that binds to numerous kinases and promotes their interaction with the Hsp90 complex, resulting in stabilization and promotion of their activity.... |
| Klonalität               | Polyclonal                                                                                                                                                        |
| Konzentration            | 1ug/ul                                                                                                                                                            |
| NCBI                     | <a href="#">11140</a>                                                                                                                                             |
| UniProt                  | <a href="#">Q16543</a>                                                                                                                                            |
| Puffer                   | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                            |

|                        |                                                             |
|------------------------|-------------------------------------------------------------|
| Quelle                 | KLH conjugated synthetic peptide derived from human CDC37   |
| Target-Kategorie       | CDC37                                                       |
| Application Verdünnung | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
