| Hersteller Artikelnummer | bsm-61942R-BF555                                                                                                                                                                                                    |
| Alternativnummer         | BSS-BSM-61942R-BF555-100                                                                                                                                                                                            |
| Hersteller               | Bioss                                                                                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                                                          |
| Applikation              | FC, IF                                                                                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                   |
| Konjugation              | BF555                                                                                                                                                                                                               |
| Produktbeschreibung      | Seems to bind protein kinase C acting as an intracellular receptor to anchor the activated PKC to the cytoskeleton. May be involved in up-regulation of the activity of kinases such as PKC via binding to KRT1.... |
| Klonalität               | Recombinant                                                                                                                                                                                                         |
| Konzentration            | Lot dependent                                                                                                                                                                                                       |
| NCBI                     | <a href="#">10399</a>                                                                                                                                                                                               |
| UniProt                  | <a href="#">P63244</a>                                                                                                                                                                                              |

|                        |                                                                                                        |
|------------------------|--------------------------------------------------------------------------------------------------------|
| Puffer                 | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Quelle                 | KLH conjugated synthetic peptide derived from human RACK1                                              |
| Target-Kategorie       | RACK1                                                                                                  |
| Application Verdünnung | IF(), FCM(1ug/Test)                                                                                    |
