| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                                              |
| Produktbeschreibung      | This Recombinant Human Protein FAM90A18 (F90AI) spans the amino acid sequence from region 1-464. Purity: Greater than 85% as determined by SDS-PAGE....                                                                                                                       |
| UniProt                  | <a href="#">P0DV75</a>                                                                                                                                                                                                                                                        |
| Puffer                   | If the delivery form is liquid, the default storage buffer is Tris/PBS-based buffer, 20%-50% glycerol. If the delivery form is lyophilized powder, the buffer before lyophilization is Tris/PBS-based buffer, 6% Trehalose.                                                   |
| Quelle                   | Homo sapiens (Human)                                                                                                                                                                                                                                                          |
| Reinheit                 | Greater than 85% as determined by SDS-PAGE.                                                                                                                                                                                                                                   |
| Formulierung             | Liquid or Lyophilized powder                                                                                                                                                                                                                                                  |
