Biotinylated Varicella zoster virus (strain Oka vaccine) gH&gL Protein, Tag Free&His,Avitag(TM) (MALS verified), Human ABS-GHL-V82W3-1MG

| | |
|--------------------------|---|
| Artikelname | Biotinylated Varicella zoster virus (strain Oka vaccine) gH&gL Protein, Tag Free&His,Avitag(TM) (MALS verified), Human |
| Artikelnummer | ABS-GHL-V82W3-1MG |
| Hersteller Artikelnummer | GHL-V82W3-1mg |
| Alternativnummer | ABS-GHL-V82W3-1MG |
| Hersteller | AcroBiosystems |
| Wirt | Human |
| Kategorie | Proteine/Peptide |
| Spezies Reaktivität | Virus |
| Konjugation | Biotin |
| Produktbeschreibung | The heterodimer glycoprotein Hglycoprotein L is required for the fusion of viral and plasma membranes leading to virus entry into the host cell. Acts as a functional inhibitor of gH and maintains gH in an inhibited form. Upon binding to host integrin... |
| Molekulargewicht | 86.9 kDa & 18.8 kDa |
| Tag | Native C-10*His & C-Avi |
| NCBI | 775 |
| Puffer | PBS, 0.5 M Arginine, pH7.4 |
| Reinheit | 90% |

| | |
|------------------|---|
| Formulierung | Powder |
| Target-Kategorie | Glycoprotein H & Glycoprotein L/gH & gL (VZV) |
