| Kategorie                | Proteine/Peptide                                                                                                                                                                                                                                              |
| Spezies Reaktivität      | Mouse                                                                                                                                                                                                                                                         |
| Konjugation              | Unconjugated                                                                                                                                                                                                                                                  |
| Produktbeschreibung      | TNFlike cytokine 1A (TL1A) and its receptors, death receptor 3 (DR3) and decoy receptor 3 (DcR3) are members of the TNF and TNF receptor superfamilies of proteins, respectively. Binding of APCderived TL1A to lymphocytic DR3 provides costimulatory sig... |
| Molekulargewicht         | 23.4 kDa                                                                                                                                                                                                                                                      |
| Tag                      | N-10*His                                                                                                                                                                                                                                                      |
| NCBI                     | <a href="#">5</a>                                                                                                                                                                                                                                             |
| Puffer                   | PBS, 0.2 M Arginine, pH7.4                                                                                                                                                                                                                                    |
| Reinheit                 | 90%                                                                                                                                                                                                                                                           |
