| Artikelname              | Anti-Phospho-Btk (Y223) Antibody, Rabbit, Polyclonal                                                                                              |
| Artikelnummer            | BOB-A00245Y223                                                                                                                                    |
| Hersteller Artikelnummer | A00245Y223                                                                                                                                        |
| Alternativnummer         | BOB-A00245Y223-100UL                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | ELISA, WB                                                                                                                                         |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                 |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human BTK around the phosphorylation site of Tyr223. AA range:188-237         |
| Produktbeschreibung      | Boster Bio Anti-Phospho-Btk (Y223) Antibody catalog A00245Y223. Tested in WB, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                        |
| Konzentration            | 1 mg/ml                                                                                                                                           |
| Molekulargewicht         | 76281 MW                                                                                                                                          |
| UniProt                  | <a href="#">Q06187</a>                                                                                                                            |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-1:2000 ELISA 1:40000                                           |
