### Anti-HSF1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A00250-FITC

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-HSF1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                    |
| Artikelnummer            | BOB-A00250-FITC                                                                                                                    |
| Hersteller Artikelnummer | A00250-FITC                                                                                                                        |
| Alternativnummer         | BOB-A00250-FITC-100UG                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | FC                                                                                                                                 |
| Spezies Reaktivität      | Human                                                                                                                              |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human HSF1, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                         |
| NCBI                     | <a href="#">3297</a>                                                                                                               |
| UniProt                  | <a href="#">Q00613</a>                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                       |
| Formulierung             | Liquid                                                                                                                             |
| Target-Kategorie         | Heat shock factor protein 1                                                                                                        |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
|------------------------|-----------------------------------------------|
