| Artikelname              | Anti-TEL ETV6 Antibody, Rabbit, Polyclonal                                                                                                   |
| Artikelnummer            | BOB-A00361                                                                                                                                   |
| Hersteller Artikelnummer | A00361                                                                                                                                       |
| Alternativnummer         | BOB-A00361-100UL                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                   |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                            |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human ETV6. AA range:371-420                                             |
| Produktbeschreibung      | Boster Bio Anti-TEL ETV6 Antibody catalog A00361. Tested in WB, IHC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                   |
| Konzentration            | 1 mg/ml                                                                                                                                      |
| Molekulargewicht         | 53000 MW                                                                                                                                     |
| UniProt                  | <a href="#">P41212</a>                                                                                                                       |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-1:2000 IHC 1:100-1:300 IF 1:200-1:1000 ELISA 1:5000            |
