| Artikelname              | Anti-ATF4 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                                                |
| Artikelnummer            | BOB-A00371-1-FLUORO647                                                                                                                                              |
| Hersteller Artikelnummer | A00371-1-Fluoro647                                                                                                                                                  |
| Alternativnummer         | BOB-A00371-1-FLUORO647-100UG                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | FC                                                                                                                                                                  |
| Spezies Reaktivität      | Human                                                                                                                                                               |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human ATF4, which shares 97.6% amino acid (aa) sequence identity with both mouse and rat ATF4. |
| Klonalität               | Polyclonal                                                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 38590 MW                                                                                                                               |
| NCBI                     | <a href="#">468</a>                                                                                                                                                 |
| UniProt                  | <a href="#">P18848</a>                                                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                         |

|                        |                                                 |
|------------------------|-------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                    |
| Formulierung           | Liquid                                          |
| Target-Kategorie       | Cyclic AMP-dependent transcription factor ATF-4 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
