### Anti-CD24 Antibody Biotin Conjugated, Rabbit, Polyclonal BOB-A00373-3-BIOTIN

|                          |                                                                                                                                                              |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CD24 Antibody Biotin Conjugated, Rabbit, Polyclonal                                                                                                     |
| Artikelnummer            | BOB-A00373-3-BIOTIN                                                                                                                                          |
| Hersteller Artikelnummer | A00373-3-Biotin                                                                                                                                              |
| Alternativnummer         | BOB-A00373-3-BIOTIN-100UG                                                                                                                                    |
| Hersteller               | Boster Bio                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                   |
| Applikation              | ELISA, IHC, WB                                                                                                                                               |
| Spezies Reaktivität      | Human                                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human CD24. Human CD24 shares 61.9% amino acid (aa) sequence identity with rat CD24. |
| Klonalität               | Polyclonal                                                                                                                                                   |
| NCBI                     | <a href="#">100133941</a>                                                                                                                                    |
| UniProt                  | <a href="#">P25063</a>                                                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                  |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                 |
| Formulierung             | Liquid                                                                                                                                                       |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Signal transducer CD24                                                                                     |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
