| Artikelname              | Anti-WNT5A Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                |
| Artikelnummer            | BOB-A00549-1-APC                                                                                                                                               |
| Hersteller Artikelnummer | A00549-1-APC                                                                                                                                                   |
| Alternativnummer         | BOB-A00549-1-APC-100UG                                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                     |
| Applikation              | FC                                                                                                                                                             |
| Spezies Reaktivität      | Human                                                                                                                                                          |
| Immunogen                | E.coli-derived human WNT5A recombinant protein (Position: D198-D303). Human WNT5A shares 100% amino acid (aa) sequence identity with both mouse and rat WNT5A. |
| Klonalität               | Polyclonal                                                                                                                                                     |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                                          |
| NCBI                     | <a href="#">7474</a>                                                                                                                                           |
| UniProt                  | <a href="#">P41221</a>                                                                                                                                         |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                    |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                   |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Protein Wnt-5a                                |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
