| Alternativnummer         | BOB-A00560-CARRIER-FREE-100UG                                                                                                                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, IHC, WB                                                                                                                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | E.coli-derived human DCC recombinant protein (Position: Q851-F1447).                                                                                                                                                                                         |
| Produktbeschreibung      | Boster Bio Anti-DCC Antibody Picoband catalog A00560. Tested in ELISA, IHC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and st... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 180 kDa. Calculated Molecular Weight: 9072 MW                                                                                                                                                                                     |

|                        |                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">1630</a>                                                                                             |
| UniProt                | <a href="#">P43146</a>                                                                                           |
| Puffer                 | Each vial contains 4mg Trehalose, 0.9mg NaCl, 0.2mg Na <sub>2</sub> HPO <sub>4</sub> , 0.05mg NaN <sub>3</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                                     |
| Formulierung           | Lyophilized                                                                                                      |
| Target-Kategorie       | Netrin receptor DCC                                                                                              |
| Application Verdünnung | Western blot, 0.1-0.25µg/ml Immunohistochemistry (Paraffin-embedded Section), 0.5-1µg/ml ELISA, 0.1-0.5µg/ml     |
