| Artikelname              | Anti-CREB1 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                                            |
| Artikelnummer            | BOB-A00577-1-FLUORO550                                                                                                                                                           |
| Hersteller Artikelnummer | A00577-1-Fluoro550                                                                                                                                                               |
| Alternativnummer         | BOB-A00577-1-FLUORO550-100UG                                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                                                       |
| Applikation              | FC                                                                                                                                                                               |
| Spezies Reaktivität      | Human, Monkey, Mouse, Rat                                                                                                                                                        |
| Immunogen                | E.coli-derived human CREB1 recombinant protein (Position: A7-R270). Human CREB1 shares 99.6% and 99.2% amino acid (aa) sequence identity with mouse and rat CREB1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                       |
| Molekulargewicht         | Calculated Molecular Weight: 36,37,25 kDa                                                                                                                                        |
| NCBI                     | <a href="#">1385</a>                                                                                                                                                             |
| UniProt                  | <a href="#">P16220</a>                                                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                      |

|                        |                                                 |
|------------------------|-------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                    |
| Formulierung           | Liquid                                          |
| Target-Kategorie       | Cyclic AMP-responsive element-binding protein 1 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells   |
