| Artikelname              | Anti-ULK1 Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                     |
| Artikelnummer            | BOB-A00584-1-FITC                                                                                                                                                   |
| Hersteller Artikelnummer | A00584-1-FITC                                                                                                                                                       |
| Alternativnummer         | BOB-A00584-1-FITC-100UG                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                          |
| Applikation              | FC                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                   |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human ULK1, which shares 81.8% amino acid (aa) sequence identity with both mouse and rat ULK1. |
| Klonalität               | Polyclonal                                                                                                                                                          |
| NCBI                     | <a href="#">8408</a>                                                                                                                                                |
| UniProt                  | <a href="#">O75385</a>                                                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                         |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                        |
| Formulierung             | Liquid                                                                                                                                                              |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Target-Kategorie       | Serine/threonine-protein kinase ULK1          |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
