## Product Datasheet

### Anti-IGFBP1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal BOB-A00922-FLUORO594

|                          |                                                                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-IGFBP1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                               |
| Artikelnummer            | BOB-A00922-FLUORO594                                                                                                                                                                 |
| Hersteller Artikelnummer | A00922-Fluoro594                                                                                                                                                                     |
| Alternativnummer         | BOB-A00922-FLUORO594-100UG                                                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                           |
| Applikation              | FC                                                                                                                                                                                   |
| Spezies Reaktivität      | Human                                                                                                                                                                                |
| Immunogen                | E.coli-derived human IGFBP1 recombinant protein (Position: A69-N259). Human IGFBP1 shares 67.8% and 69.3% amino acid (aa) sequence identity with mouse and rat IGFBP1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 27904 MW                                                                                                                                                |
| NCBI                     | <a href="#">3484</a>                                                                                                                                                                 |
| UniProt                  | <a href="#">P08833</a>                                                                                                                                                               |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                          |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Insulin-like growth factor-binding protein 1  |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
