| Artikelname              | Anti-FASL/FASLG Antibody Picoband Fluoro488 Conjugated, Rabbit, Polyclonal                                                                                                                        |
| Artikelnummer            | BOB-A00925-2-FLUORO488                                                                                                                                                                            |
| Hersteller Artikelnummer | A00925-2-Fluoro488                                                                                                                                                                                |
| Alternativnummer         | BOB-A00925-2-FLUORO488-100UG                                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                                        |
| Applikation              | FC                                                                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                                                             |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human FASL/FASLG, which shares 85% and 80% amino acid (aa) sequence identity with mouse and rat FASL/FASLG, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 31 kDa                                                                                                                                                               |
| NCBI                     | <a href="#">356</a>                                                                                                                                                                               |
| UniProt                  | <a href="#">P48023</a>                                                                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                       |

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                      |
| Formulierung           | Liquid                                            |
| Target-Kategorie       | Tumor necrosis factor ligand superfamily member 6 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells     |
