| Artikelname              | Anti-GSS Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                                               |
| Artikelnummer            | BOB-A00928-3-FITC                                                                                                                                                            |
| Hersteller Artikelnummer | A00928-3-FITC                                                                                                                                                                |
| Alternativnummer         | BOB-A00928-3-FITC-100UG                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                   |
| Applikation              | FC                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                            |
| Immunogen                | E.coli-derived human GSS recombinant protein (Position: M1-H456).<br>Human GSSshares 88.2% and 87.7% amino acid (aa) sequence identity with mouse and rat GSS, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                   |
| Molekulargewicht         | Calculated Molecular Weight: 52 kDa                                                                                                                                          |
| NCBI                     | <a href="#">2937</a>                                                                                                                                                         |
| UniProt                  | <a href="#">P48637</a>                                                                                                                                                       |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                  |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                 |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Glutathione synthetase                        |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
