## Product Datasheet

### Anti-SHP-1 (phospho-Y536) PTPN6 Antibody, Rabbit, Polyclonal BOB-A00938Y536

|                          |                                                                                                                                                      |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SHP-1 (phospho-Y536) PTPN6 Antibody, Rabbit, Polyclonal                                                                                         |
| Artikelnummer            | BOB-A00938Y536                                                                                                                                       |
| Hersteller Artikelnummer | A00938Y536                                                                                                                                           |
| Alternativnummer         | BOB-A00938Y536-100UL                                                                                                                                 |
| Hersteller               | Boster Bio                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                           |
| Applikation              | IHC, WB                                                                                                                                              |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                    |
| Immunogen                | Synthetic phosphopeptide derived from human SHP-1 around the phosphorylation site of Tyrosine 536.                                                   |
| Produktbeschreibung      | Boster Bio Anti-SHP-1 (phospho-Y536) PTPN6 Antibody catalog A00938Y536. Tested in WB,IHC applications. This antibody reacts with Human,Mouse,Rat.... |
| Klonalität               | Polyclonal                                                                                                                                           |
| Konzentration            | 1 mg/ml                                                                                                                                              |
| Molekulargewicht         | 67561 MW                                                                                                                                             |
| UniProt                  | <a href="#">P29350</a>                                                                                                                               |

|                        |                                                                        |
|------------------------|------------------------------------------------------------------------|
| Puffer                 | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2 |
| Formulierung           | Liquid                                                                 |
| Application Verdünnung | WB: 1:500-1:1000 IHC: 1:50-1:200                                       |
