| Artikelname              | Anti-Phospho-MAP-4 (S696) Antibody, Rabbit, Polyclonal                                                                                                   |
| Artikelnummer            | BOB-A00948S696                                                                                                                                           |
| Hersteller Artikelnummer | A00948S696                                                                                                                                               |
| Alternativnummer         | BOB-A00948S696-100UL                                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                               |
| Wirt                     | Rabbit                                                                                                                                                   |
| Kategorie                | Antikörper                                                                                                                                               |
| Applikation              | ELISA, IF, IHC                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                        |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human MAP4 around the phosphorylation site of Ser696. AA range:662-711               |
| Produktbeschreibung      | Boster Bio Anti-Phospho-MAP-4 (S696) Antibody catalog A00948S696. Tested in IHC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                               |
| Konzentration            | 1 mg/ml                                                                                                                                                  |
| Molekulargewicht         | 121005 MW                                                                                                                                                |
| UniProt                  | <a href="#">P27816</a>                                                                                                                                   |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | IHC 1:100-1:300 IF 1:200-1:1000 ELISA 1:5000                            |
