## Product Datasheet

### Anti-Topoisomerase II alpha/TOP2A Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A00953-BIOTIN

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Topoisomerase II alpha/TOP2A Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                     |
| Artikelnummer            | BOB-A00953-BIOTIN                                                                                                                                             |
| Hersteller Artikelnummer | A00953-Biotin                                                                                                                                                 |
| Alternativnummer         | BOB-A00953-BIOTIN-100UG                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | ELISA, IHC, WB                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                                         |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human Topoisomerase II alpha/TOP2A, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 50408 MW                                                                                                                         |
| NCBI                     | <a href="#">7153</a>                                                                                                                                          |
| UniProt                  | <a href="#">P11388</a>                                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                   |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                                                               |
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | DNA topoisomerase 2-alpha                                                                                  |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
