| Artikelname              | Anti-MYOD1 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                         |
| Artikelnummer            | BOB-A00964-2-FLUORO594                                                                                                                                        |
| Hersteller Artikelnummer | A00964-2-Fluoro594                                                                                                                                            |
| Alternativnummer         | BOB-A00964-2-FLUORO594-100UG                                                                                                                                  |
| Hersteller               | Boster Bio                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                             |
| Immunogen                | E.coli-derived human MYOD1 recombinant protein (Position: M1-R120). Human MYOD1 shares 92.5% amino acid (aa) sequence identity with both mouse and rat MYOD1. |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 35 kDa                                                                                                                           |
| NCBI                     | <a href="#">4654</a>                                                                                                                                          |
| UniProt                  | <a href="#">P15172</a>                                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                   |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Myoblast determination protein 1              |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
