### Anti-CNPase Antibody Picoband APC Conjugated, Rabbit, Polyclonal BOB-A01017-APC

|                          |                                                                                                                                                                                               |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-CNPase Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                                              |
| Artikelnummer            | BOB-A01017-APC                                                                                                                                                                                |
| Hersteller Artikelnummer | A01017-APC                                                                                                                                                                                    |
| Alternativnummer         | BOB-A01017-APC-100UG                                                                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                             |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human CNPase, identical to the related mouse sequence, and different from the related rat sequence by one amino acid. |
| Klonalität               | Polyclonal                                                                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 47579 MW                                                                                                                                                         |
| NCBI                     | <a href="#">1267</a>                                                                                                                                                                          |
| UniProt                  | <a href="#">P09543</a>                                                                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                                  |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                                  |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | 2,3-cyclic-nucleotide 3-phosphodiesterase     |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
