| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FC, IHC, WB                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | E.coli-derived human PU.1/SPI1 recombinant protein (Position: M1-R212).                                                                                                                                                                                      |
| Produktbeschreibung      | Boster Bio Anti-PU.1/SPI1 Antibody Picoband catalog A01116-1. Tested in ELISA, Flow Cytometry, IHC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior qualit... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 40 kDa                                                                                                                                                                                                                            |
| NCBI                     | <a href="#">6688</a>                                                                                                                                                                                                                                         |

|                        |                                                                                                                                                                                                         |
