| Artikelnummer            | BOB-A01142S93                                                                                                                                                      |
| Hersteller Artikelnummer | A01142S93                                                                                                                                                          |
| Alternativnummer         | BOB-A01142S93-100UL                                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                         |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                  |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human HP1 gamma around the phosphorylation site of Ser93. AA range:59-108                      |
| Produktbeschreibung      | Boster Bio Anti-Phospho-HP gamma (S93) CBX3 Antibody catalog A01142S93. Tested in WB, IHC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                                         |
| Konzentration            | 1 mg/ml                                                                                                                                                            |
| Molekulargewicht         | 20811 MW                                                                                                                                                           |
| UniProt                  | <a href="#">Q13185</a>                                                                                                                                             |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-1:2000 IHC 1:100-1:300 ELISA 1:10000 IF 1:50-200               |
