| Artikelnummer            | BOB-A01384T451                                                                                                                                                 |
| Hersteller Artikelnummer | A01384T451                                                                                                                                                     |
| Alternativnummer         | BOB-A01384T451-100UL                                                                                                                                           |
| Hersteller               | Boster Bio                                                                                                                                                     |
| Wirt                     | Rabbit                                                                                                                                                         |
| Kategorie                | Antikörper                                                                                                                                                     |
| Applikation              | ELISA, IF, IHC                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                              |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human PKR around the phosphorylation site of Thr451. AA range:418-467                      |
| Produktbeschreibung      | Boster Bio Anti-Phospho-PKR (T451) EIF2AK2 Antibody catalog A01384T451. Tested in IHC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                                     |
| Konzentration            | 1 mg/ml                                                                                                                                                        |
| Molekulargewicht         | 62094 MW                                                                                                                                                       |
| UniProt                  | <a href="#">P19525</a>                                                                                                                                         |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | IHC 1:100-1:300 ELISA 1:20000 IF 1:50-200                               |
