| Artikelnummer            | BOB-A01391-1-CY3                                                                                                                                                                  |
| Hersteller Artikelnummer | A01391-1-Cy3                                                                                                                                                                      |
| Alternativnummer         | BOB-A01391-1-CY3-100UG                                                                                                                                                            |
| Hersteller               | Boster Bio                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                        |
| Applikation              | FC                                                                                                                                                                                |
| Spezies Reaktivität      | Mouse                                                                                                                                                                             |
| Immunogen                | E. coli-derived mouse Tff1 recombinant protein (Position: Q22-F87).<br>Mouse Tff1 shares 67.2% and 83.6% amino acid (aa) sequence identity with human and rat Tff1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 9670 MW                                                                                                                                              |
| NCBI                     | <a href="#">21784</a>                                                                                                                                                             |
| UniProt                  | <a href="#">Q08423</a>                                                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                      |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Trefoil factor 1                              |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
