### Anti-RPS6 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A01567-1-BIOTIN

|                          |                                                                                                                                    |
|--------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-RPS6 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                  |
| Artikelnummer            | BOB-A01567-1-BIOTIN                                                                                                                |
| Hersteller Artikelnummer | A01567-1-Biotin                                                                                                                    |
| Alternativnummer         | BOB-A01567-1-BIOTIN-100UG                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                         |
| Applikation              | ELISA, IHC, WB                                                                                                                     |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human RPS6, identical to the related mouse and rat sequences. |
| Klonalität               | Polyclonal                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 28681 MW                                                                                              |
| NCBI                     | <a href="#">6194</a>                                                                                                               |
| UniProt                  | <a href="#">P62753</a>                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                        |
| Reinheit                 | Immunogen affinity purified.                                                                                                       |
| Formulierung             | Liquid                                                                                                                             |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Small ribosomal subunit protein eS6                                                                        |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
