| Artikelname              | Anti-Phospho-Rad17 (S645) Antibody, Rabbit, Polyclonal                                                                                              |
| Artikelnummer            | BOB-A02159S645                                                                                                                                      |
| Hersteller Artikelnummer | A02159S645                                                                                                                                          |
| Alternativnummer         | BOB-A02159S645-100UL                                                                                                                                |
| Hersteller               | Boster Bio                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                          |
| Applikation              | ELISA, IHC, WB                                                                                                                                      |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                        |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human RAD17 around the phosphorylation site of Ser645. AA range:621-670         |
| Produktbeschreibung      | Boster Bio Anti-Phospho-Rad17 (S645) Antibody catalog A02159S645. Tested in WB, ELISA, IHC applications. This antibody reacts with Human, Mouse.... |
| Klonalität               | Polyclonal                                                                                                                                          |
| Konzentration            | 1 mg/ml                                                                                                                                             |
| Molekulargewicht         | 77055 MW                                                                                                                                            |
| UniProt                  | <a href="#">O75943</a>                                                                                                                              |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-2000 IHC 1:50-300 ELISA 1:2000-20000                           |
