### Anti-ALOX12 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A02275-2-FLUORO550

|                          |                                                                                                                                                                                     |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-ALOX12 Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                                              |
| Artikelnummer            | BOB-A02275-2-FLUORO550                                                                                                                                                              |
| Hersteller Artikelnummer | A02275-2-Fluoro550                                                                                                                                                                  |
| Alternativnummer         | BOB-A02275-2-FLUORO550-100UG                                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                                          |
| Wirt                     | Rabbit                                                                                                                                                                              |
| Kategorie                | Antikörper                                                                                                                                                                          |
| Applikation              | FC                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                   |
| Immunogen                | E.coli-derived human ALOX12 recombinant protein (Position: A186-R628). Human ALOX12 shares 87.3% and 86% amino acid (aa) sequence identity with mouse and rat ALOX12, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                          |
| Molekulargewicht         | Calculated Molecular Weight: 75 kDa                                                                                                                                                 |
| NCBI                     | <a href="#">239</a>                                                                                                                                                                 |
| UniProt                  | <a href="#">P18054</a>                                                                                                                                                              |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                         |

|                        |                                                |
|------------------------|------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                   |
| Formulierung           | Liquid                                         |
| Target-Kategorie       | Polyunsaturated fatty acid lipoxygenase ALOX12 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells  |
