### Anti-ATP1A3 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A02278-1-BIOTIN

|                          |                                                                                                                                                                   |

| Artikelname              | Anti-ATP1A3 Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                                                                               |
| Artikelnummer            | BOB-A02278-1-BIOTIN                                                                                                                                               |
| Hersteller Artikelnummer | A02278-1-Biotin                                                                                                                                                   |
| Alternativnummer         | BOB-A02278-1-BIOTIN-100UG                                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                        |
| Applikation              | ELISA, IHC, WB                                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                 |
| Immunogen                | E.coli-derived human ATP1A3 recombinant protein (Position: D24-D583). Human ATP1A3 shares 99.8% amino acid (aa) sequence identity with both mouse and rat ATP1A3. |
| Klonalität               | Polyclonal                                                                                                                                                        |
| NCBI                     | <a href="#">478</a>                                                                                                                                               |
| UniProt                  | <a href="#">P13637</a>                                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                       |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                      |
| Formulierung             | Liquid                                                                                                                                                            |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Target-Kategorie       | Sodium/potassium-transporting ATPase subunit alpha-3                                                       |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
