| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | WB                                                                                                                                                                                                                                                           |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | E. coli-derived human Caspase-6 recombinant protein (Position: A194-N293). Human Caspase-6 shares 95.9% and 93.9% amino acid (aa) sequence identity with mouse and rat Caspase-6, respectively.                                                              |
| Produktbeschreibung      | Boster Bio Anti-Caspase-6/CASP6 Antibody Picoband catalog A02631. Tested in WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and st... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 33 kDa. Calculated Molecular Weight: 33310 MW                                                                                                                                                                                     |

|                        |                                                                                              |
|------------------------|----------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">839</a>                                                                          |
| UniProt                | <a href="#">P55212</a>                                                                       |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl and 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> . |
| Reinheit               | Immunogen affinity purified.                                                                 |
| Formulierung           | Lyophilized                                                                                  |
| Target-Kategorie       | Caspase-6                                                                                    |
| Application Verdünnung | Western blot, 0.1-0.5µg/ml, Mouse, Rat, Human                                                |
