| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | E.coli-derived human PDE6 beta/PDE6B recombinant protein (Position: K25-Q237).                                                                                                                                                                               |
| Produktbeschreibung      | Boster Bio Anti-PDE6 beta/PDE6B Antibody Picoband catalog A02659-1. Tested in ELISA, Flow Cytometry, IF, IHC, ICC, WB applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 98 kDa. Calculated Molecular Weight: 33310 MW                                                                                                                                                                                     |

|                        |                                                                                                                                                                                                                                                       |
