| Artikelname              | Anti-Ephrin-B1/2 EFNB1 Antibody, Rabbit, Polyclonal                                                                                                   |
| Artikelnummer            | BOB-A02767                                                                                                                                            |
| Hersteller Artikelnummer | A02767                                                                                                                                                |
| Alternativnummer         | BOB-A02767-100UL                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                            |
| Applikation              | ELISA, IF, IHC, WB                                                                                                                                    |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                     |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human EFNB1/2. AA range:284-333                                                   |
| Produktbeschreibung      | Boster Bio Anti-Ephrin-B1/2 EFNB1 Antibody catalog A02767. Tested in WB, IHC, IF, ELISA applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                            |
| Konzentration            | 1 mg/ml                                                                                                                                               |
| Molekulargewicht         | 38007 MW                                                                                                                                              |
| UniProt                  | <a href="#">P98172</a>                                                                                                                                |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-1:2000 IHC 1:100-1:300 ELISA 1:40000 IF 1:50-200               |
