### Anti-Integrin alpha 3/ITGA3 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal BOB-A02902-CY3

|                          |                                                                                                                                                                                             |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-Integrin alpha 3/ITGA3 Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                            |
| Artikelnummer            | BOB-A02902-CY3                                                                                                                                                                              |
| Hersteller Artikelnummer | A02902-Cy3                                                                                                                                                                                  |
| Alternativnummer         | BOB-A02902-CY3-100UG                                                                                                                                                                        |
| Hersteller               | Boster Bio                                                                                                                                                                                  |
| Wirt                     | Rabbit                                                                                                                                                                                      |
| Kategorie                | Antikörper                                                                                                                                                                                  |
| Applikation              | FC                                                                                                                                                                                          |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                           |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human Integrin alpha 3, which shares 91.2% amino acid (aa) sequence identity with both mouse and rat Integrin alpha 3. |
| Klonalität               | Polyclonal                                                                                                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 136311 MW                                                                                                                                                      |
| NCBI                     | <a href="#">3675</a>                                                                                                                                                                        |
| UniProt                  | <a href="#">P26006</a>                                                                                                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                                 |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Integrin alpha-3                              |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
