| Artikelname              | Anti-CD239/BCAM Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                                               |
| Artikelnummer            | BOB-A03148-1-APC                                                                                                                                                                   |
| Hersteller Artikelnummer | A03148-1-APC                                                                                                                                                                       |
| Alternativnummer         | BOB-A03148-1-APC-100UG                                                                                                                                                             |
| Hersteller               | Boster Bio                                                                                                                                                                         |
| Wirt                     | Rabbit                                                                                                                                                                             |
| Kategorie                | Antikörper                                                                                                                                                                         |
| Applikation              | FC                                                                                                                                                                                 |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                  |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human CD239/BCAM, which shares 84.4% amino acid (aa) sequence identity with both mouse and rat CD239/BCAM. |
| Klonalität               | Polyclonal                                                                                                                                                                         |
| Molekulargewicht         | Calculated Molecular Weight: 65411 MW                                                                                                                                              |
| NCBI                     | <a href="#">4059</a>                                                                                                                                                               |
| UniProt                  | <a href="#">P50895</a>                                                                                                                                                             |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                        |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Glutamate decarboxylase 2                     |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
