| Artikelname              | Anti-PAWR Antibody Picoband Cy3 Conjugated, Rabbit, Polyclonal                                                                                                                  |
| Artikelnummer            | BOB-A03637-2-CY3                                                                                                                                                                |
| Hersteller Artikelnummer | A03637-2-Cy3                                                                                                                                                                    |
| Alternativnummer         | BOB-A03637-2-CY3-100UG                                                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                                      |
| Applikation              | FC                                                                                                                                                                              |
| Spezies Reaktivität      | Human                                                                                                                                                                           |
| Immunogen                | E.coli-derived human PAWR recombinant protein (Position: R160-D255). Human PAWR shares 82.3% and 81.2% amino acid (aa) sequence identity with mouse and rat PAWR, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                      |
| Molekulargewicht         | Calculated Molecular Weight: 52588 MW                                                                                                                                           |
| NCBI                     | <a href="#">5074</a>                                                                                                                                                            |
| UniProt                  | <a href="#">Q96IZ0</a>                                                                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% NaN <sub>3</sub> .                                                                    |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                    |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | PRKC apoptosis WT1 regulator protein          |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
