### Anti-HADHA Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal BOB-A03666-2-FLUORO550

|                          |                                                                                                                                                                                   |
|--------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-HADHA Antibody Picoband Fluoro550 Conjugated, Rabbit, Polyclonal                                                                                                             |
| Artikelnummer            | BOB-A03666-2-FLUORO550                                                                                                                                                            |
| Hersteller Artikelnummer | A03666-2-Fluoro550                                                                                                                                                                |
| Alternativnummer         | BOB-A03666-2-FLUORO550-100UG                                                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                                                        |
| Applikation              | FC                                                                                                                                                                                |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                 |
| Immunogen                | E.coli-derived human HADHA recombinant protein (Position: R20-N758). Human HADHA shares 86.6% and 95.2% amino acid (aa) sequence identity with mouse and rat HADHA, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 83 kDa                                                                                                                                               |
| NCBI                     | <a href="#">3030</a>                                                                                                                                                              |
| UniProt                  | <a href="#">P40939</a>                                                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                       |

|                        |                                                   |
|------------------------|---------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                      |
| Formulierung           | Liquid                                            |
| Target-Kategorie       | Trifunctional enzyme subunit alpha, mitochondrial |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells     |
