| Artikelname              | Anti-PEPT1 SLC15A1 Antibody, Rabbit, Polyclonal                                                                                                 |
| Artikelnummer            | BOB-A03672-1                                                                                                                                    |
| Hersteller Artikelnummer | A03672-1                                                                                                                                        |
| Alternativnummer         | BOB-A03672-1-100UL                                                                                                                              |
| Hersteller               | Boster Bio                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                      |
| Applikation              | ELISA, IHC, WB                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                               |
| Immunogen                | The antiserum was produced against synthesized peptide derived from human SLC15A1. AA range:225-274                                             |
| Produktbeschreibung      | Boster Bio Anti-PEPT1 SLC15A1 Antibody catalog A03672-1. Tested in WB, ELISA, IHC applications. This antibody reacts with Human, Mouse, Rat.... |
| Klonalität               | Polyclonal                                                                                                                                      |
| Konzentration            | 1 mg/ml                                                                                                                                         |
| Molekulargewicht         | 78806 MW                                                                                                                                        |
| Sensitivitaet            | >5000 cells                                                                                                                                     |
| UniProt                  | <a href="#">P46059</a>                                                                                                                          |

|                        |                                                                         |
|------------------------|-------------------------------------------------------------------------|
| Puffer                 | Liquid in PBS containing 50% glycerol, 0.5% BSA and 0.02% sodium azide. |
| Formulierung           | Liquid                                                                  |
| Application Verdünnung | WB 1:500-2000 IHC 1:50-300 ELISA 1:2000-20000                           |
