| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | IF, IHC, WB                                                                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                                                                                            |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human PDLIM5. Human PDLIM5 shares 95.5% amino acid (aa) sequence identity with both mouse and rat PDLIM5.                                                                            |
| Produktbeschreibung      | Boster Bio Anti-PDLIM5 Antibody Picoband catalog A03763-1. Tested in WB, IHC, IF applications. This antibody reacts with Human, Mouse, Rat. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and ... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 64 kDa. Calculated Molecular Weight: 64 kDa                                                                                                                                                                                       |

|                        |                                                                                                                                                             |
|------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">10611</a>                                                                                                                                       |
| UniProt                | <a href="#">Q96HC4</a>                                                                                                                                      |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .                                                                   |
| Reinheit               | Immunogen affinity purified.                                                                                                                                |
| Formulierung           | Lyophilized                                                                                                                                                 |
| Target-Kategorie       | PDZ and LIM domain protein 5                                                                                                                                |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human, Mouse, Rat<br>Immunohistochemistry (Paraffin-embedded Section), 2-5 µg/ml,<br>Human Immunofluorescence, 5 µg/ml, Human |
