| Artikelname              | Anti-MADCAM1 Antibody Picoband APC Conjugated, Rabbit, Polyclonal                                                                                               |
| Artikelnummer            | BOB-A04227-3-APC                                                                                                                                                |
| Hersteller Artikelnummer | A04227-3-APC                                                                                                                                                    |
| Alternativnummer         | BOB-A04227-3-APC-100UG                                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                                      |
| Wirt                     | Rabbit                                                                                                                                                          |
| Kategorie                | Antikörper                                                                                                                                                      |
| Applikation              | FC                                                                                                                                                              |
| Spezies Reaktivität      | Human, Rat                                                                                                                                                      |
| Immunogen                | A synthetic peptide corresponding to a sequence in the middle region of human MADCAM1, which shares 46.2% amino acid (aa) sequence identity with mouse MADCAM1. |
| Klonalität               | Polyclonal                                                                                                                                                      |
| NCBI                     | <a href="#">8174</a>                                                                                                                                            |
| UniProt                  | <a href="#">Q13477</a>                                                                                                                                          |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                     |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                    |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Mucosal addressin cell adhesion molecule 1    |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
