| Artikelname              | Anti-RRS1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                                                                  |
| Artikelnummer            | BOB-A04418-4-FLUORO647                                                                                                                                                                |
| Hersteller Artikelnummer | A04418-4-Fluoro647                                                                                                                                                                    |
| Alternativnummer         | BOB-A04418-4-FLUORO647-100UG                                                                                                                                                          |
| Hersteller               | Boster Bio                                                                                                                                                                            |
| Wirt                     | Rabbit                                                                                                                                                                                |
| Kategorie                | Antikörper                                                                                                                                                                            |
| Applikation              | FC                                                                                                                                                                                    |
| Spezies Reaktivität      | Human                                                                                                                                                                                 |
| Immunogen                | A synthetic peptide corresponding to a sequence at the C-terminus of human RRS1, which shares 95.5% and 100% amino acid (aa) sequence identity with mouse and rat RRS1, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                            |
| NCBI                     | <a href="#">23212</a>                                                                                                                                                                 |
| UniProt                  | <a href="#">Q15050</a>                                                                                                                                                                |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                           |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                                          |

|                        |                                                |
|------------------------|------------------------------------------------|
| Formulierung           | Liquid                                         |
| Target-Kategorie       | Ribosome biogenesis regulatory protein homolog |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells  |
