| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | FC, WB                                                                                                                                                                                                                                                       |
| Spezies Reaktivität      | Human                                                                                                                                                                                                                                                        |
| Immunogen                | A synthetic peptide corresponding to a sequence at the N-terminus of human SLC23A1.                                                                                                                                                                          |
| Produktbeschreibung      | Boster Bio Anti-SLC23A1 Antibody Picoband catalog A04445. Tested in WB, Flow Cytometry applications. This antibody reacts with Human. The brand Picoband indicates this is a premium antibody that guarantees superior quality, high affinity, and strong... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 65 kDa. Calculated Molecular Weight: 65 kDa                                                                                                                                                                                       |

|                        |                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------|
| NCBI                   | <a href="#">9963</a>                                                                              |
| UniProt                | <a href="#">Q9UHI7</a>                                                                            |
| Puffer                 | Each vial contains 4 mg Trehalose, 0.9 mg NaCl, 0.2 mg Na <sub>2</sub> HPO <sub>4</sub> .         |
| Reinheit               | Immunogen affinity purified.                                                                      |
| Formulierung           | Lyophilized                                                                                       |
| Target-Kategorie       | Solute carrier family 23 member 1                                                                 |
| Application Verdünnung | Western blot, 0.25-0.5 µg/ml, Human Flow Cytometry (Fixed), 1-3 µg/1x10 <sup>6</sup> cells, Human |
