| Hersteller               | Boster Bio                                                                                                                                                                                                                                                   |
| Wirt                     | Rabbit                                                                                                                                                                                                                                                       |
| Kategorie                | Antikörper                                                                                                                                                                                                                                                   |
| Applikation              | ELISA, FC, ICC, IF, IHC, WB                                                                                                                                                                                                                                  |
| Spezies Reaktivität      | Human, Mouse                                                                                                                                                                                                                                                 |
| Immunogen                | E.coli-derived human LARP1 recombinant protein (Position: K123-E401).                                                                                                                                                                                        |
| Produktbeschreibung      | Boster Bio Anti-LARP1 Antibody Picoband catalog A04488-2. Tested in ELISA, IF, IHC, ICC, WB, Flow Cytometry applications. This antibody reacts with Human, Mouse. The brand Picoband indicates this is a premium antibody that guarantees superior qualit... |
| Klonalität               | Polyclonal                                                                                                                                                                                                                                                   |
| Konzentration            | Adding 0.2 ml of distilled water will yield a concentration of 500 µg/ml.                                                                                                                                                                                    |
| Molekulargewicht         | Observed Molecular Weight: 150 kDa. Calculated Molecular Weight: 43696 MW                                                                                                                                                                                    |

|                        |                                                                                                                                                                                                                                                               |
