## Product Datasheet

### Anti-FKBP1A/1B Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal BOB-A04492-3-BIOTIN

|                          |                                                                                                             |
|--------------------------|-------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-FKBP1A/1B Antibody Picoband Biotin Conjugated, Rabbit, Polyclonal                                      |
| Artikelnummer            | BOB-A04492-3-BIOTIN                                                                                         |
| Hersteller Artikelnummer | A04492-3-Biotin                                                                                             |
| Alternativnummer         | BOB-A04492-3-BIOTIN-100UG                                                                                   |
| Hersteller               | Boster Bio                                                                                                  |
| Wirt                     | Rabbit                                                                                                      |
| Kategorie                | Antikörper                                                                                                  |
| Applikation              | ELISA, IHC, WB                                                                                              |
| Spezies Reaktivität      | Human, Mouse                                                                                                |
| Immunogen                | E.coli-derived human FKBP1A/1B recombinant protein (Position: M1-H88).                                      |
| Klonalität               | Polyclonal                                                                                                  |
| Molekulargewicht         | Calculated Molecular Weight: 54590 MW                                                                       |
| NCBI                     | <a href="#">2280</a>                                                                                        |
| UniProt                  | <a href="#">P62942</a>                                                                                      |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> . |
| Reinheit                 | Immunogen affinity purified.                                                                                |

|                        |                                                                                                            |
|------------------------|------------------------------------------------------------------------------------------------------------|
| Formulierung           | Liquid                                                                                                     |
| Target-Kategorie       | Kisspeptin                                                                                                 |
| Application Verdünnung | Western blot, 0.25-0.5µg/ml Immunohistochemistry (Paraffin-embedded Section), 2-5µg/ml ELISA, 0.1-0.5µg/ml |
