| Artikelname              | Anti-THRAP3 Antibody Picoband Fluoro594 Conjugated, Rabbit, Polyclonal                                                                                                               |
| Artikelnummer            | BOB-A05150-1-FLUORO594                                                                                                                                                               |
| Hersteller Artikelnummer | A05150-1-Fluoro594                                                                                                                                                                   |
| Alternativnummer         | BOB-A05150-1-FLUORO594-100UG                                                                                                                                                         |
| Hersteller               | Boster Bio                                                                                                                                                                           |
| Wirt                     | Rabbit                                                                                                                                                                               |
| Kategorie                | Antikörper                                                                                                                                                                           |
| Applikation              | FC                                                                                                                                                                                   |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                                                    |
| Immunogen                | E.coli-derived human THRAP3 recombinant protein (Position: A57-K768). Human THRAP3 shares 92.1% and 92.5% amino acid (aa) sequence identity with mouse and rat THRAP3, respectively. |
| Klonalität               | Polyclonal                                                                                                                                                                           |
| Molekulargewicht         | Calculated Molecular Weight: 109 kDa                                                                                                                                                 |
| NCBI                     | <a href="#">9967</a>                                                                                                                                                                 |
| UniProt                  | <a href="#">Q9Y2W1</a>                                                                                                                                                               |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                                          |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Reinheit               | Immunogen affinity purified.                  |
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Thyroid hormone receptor-associated protein 3 |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
