### Anti-RPS3A Antibody Picoband FITC Conjugated, Rabbit, Polyclonal BOB-A05268-1-FITC

|                          |                                                                                                                                                               |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-RPS3A Antibody Picoband FITC Conjugated, Rabbit, Polyclonal                                                                                              |
| Artikelnummer            | BOB-A05268-1-FITC                                                                                                                                             |
| Hersteller Artikelnummer | A05268-1-FITC                                                                                                                                                 |
| Alternativnummer         | BOB-A05268-1-FITC-100UG                                                                                                                                       |
| Hersteller               | Boster Bio                                                                                                                                                    |
| Wirt                     | Rabbit                                                                                                                                                        |
| Kategorie                | Antikörper                                                                                                                                                    |
| Applikation              | FC                                                                                                                                                            |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                             |
| Immunogen                | E.coli-derived human RPS3A recombinant protein (Position: K18-R146). Human RPS3A shares 100% amino acid (aa) sequence identity with both mouse and rat RPS3A. |
| Klonalität               | Polyclonal                                                                                                                                                    |
| Molekulargewicht         | Calculated Molecular Weight: 30 kDa                                                                                                                           |
| NCBI                     | <a href="#">6189</a>                                                                                                                                          |
| UniProt                  | <a href="#">P61247</a>                                                                                                                                        |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                                   |
| Reinheit                 | Immunogen affinity purified.                                                                                                                                  |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Small ribosomal subunit protein eS1           |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
