### Anti-SLIRP Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A08297-1-FLUORO647

|                          |                                                                                                                                                   |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-SLIRP Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                             |
| Artikelnummer            | BOB-A08297-1-FLUORO647                                                                                                                            |
| Hersteller Artikelnummer | A08297-1-Fluoro647                                                                                                                                |
| Alternativnummer         | BOB-A08297-1-FLUORO647-100UG                                                                                                                      |
| Hersteller               | Boster Bio                                                                                                                                        |
| Wirt                     | Rabbit                                                                                                                                            |
| Kategorie                | Antikörper                                                                                                                                        |
| Applikation              | FC                                                                                                                                                |
| Spezies Reaktivität      | Human                                                                                                                                             |
| Immunogen                | E.coli-derived human SLIRP recombinant protein (Position: A11-F109). Human SLIRP shares 77.8% amino acid (aa) sequence identity with mouse SLIRP. |
| Klonalität               | Polyclonal                                                                                                                                        |
| Molekulargewicht         | Calculated Molecular Weight: 12 kDa                                                                                                               |
| NCBI                     | <a href="#">81892</a>                                                                                                                             |
| UniProt                  | <a href="#">Q9GZT3</a>                                                                                                                            |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                       |

|                        |                                                              |
|------------------------|--------------------------------------------------------------|
| Reinheit               | Immunogen affinity purified.                                 |
| Formulierung           | Liquid                                                       |
| Target-Kategorie       | SRA stem-loop-interacting RNA-binding protein, mitochondrial |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells                |
