## Product Datasheet

### Anti-NETO1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal BOB-A08303-1-FLUORO647

|                          |                                                                                                                                                  |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------|
| Artikelname              | Anti-NETO1 Antibody Picoband Fluoro647 Conjugated, Rabbit, Polyclonal                                                                            |
| Artikelnummer            | BOB-A08303-1-FLUORO647                                                                                                                           |
| Hersteller Artikelnummer | A08303-1-Fluoro647                                                                                                                               |
| Alternativnummer         | BOB-A08303-1-FLUORO647-100UG                                                                                                                     |
| Hersteller               | Boster Bio                                                                                                                                       |
| Wirt                     | Rabbit                                                                                                                                           |
| Kategorie                | Antikörper                                                                                                                                       |
| Applikation              | FC                                                                                                                                               |
| Spezies Reaktivität      | Human, Mouse, Rat                                                                                                                                |
| Immunogen                | E.coli-derived human NETO1 recombinant protein (Position: R5-R514). Human NETO1 shares 95.7% amino acid (aa) sequence identity with mouse NETO1. |
| Klonalität               | Polyclonal                                                                                                                                       |
| NCBI                     | <a href="#">81832</a>                                                                                                                            |
| UniProt                  | <a href="#">Q8TDF5</a>                                                                                                                           |
| Puffer                   | Each vial contains 50% glycerol, 0.9% NaCl, 0.2% Na <sub>2</sub> HPO <sub>4</sub> , 0.02% Na <sub>3</sub> .                                      |
| Reinheit                 | Immunogen affinity purified.                                                                                                                     |

|                        |                                               |
|------------------------|-----------------------------------------------|
| Formulierung           | Liquid                                        |
| Target-Kategorie       | Neuropilin and tolloid-like protein 1         |
| Application Verdünnung | Flow Cytometry, 1-3µg/1x10 <sup>6</sup> cells |
